Ingredients

- 500g of strawberries (hulled)
- 200g of ice
- 100ml of rum
- Juice of 1/2 a lime
- 1 - 2 tbsp sugar syrup
- 2 slices of lime
- 1 strawberry (halved)
- 2 cocktail sticks

Method

STEP 1

Blend the strawberries then push the resulting puree through a sieve to remove some of the seeds. Tip the sieved puree into the blender again and add the ice, rum, lime juice and 1 - 2 tbsp of sugar syrup, depending on how sweet you like your drinks. Blend again and divide the mixture between two martini glasses.

STEP 2

Thread the lime slices and strawberry halves onto the cocktail sticks and place onto the edge of the glass, serve immediately.
